

**Anisha Sagar – Director of Property Management, Allsopp & Allsopp Group**

Anisha Sagar is the Director of Property Management at Allsopp & Allsopp Group, one of Dubai's leading real estate firms since 2008. A dynamic and results-driven leader, Anisha brings a strategic, action-oriented approach to every facet of her role, ensuring the seamless management of one of the city's most prestigious property portfolios.

Her journey in real estate began at a young age in the UK, where she started as a Lettings Manager at a corporate firm. Driven by a passion for growth and excellence, she joined Allsopp & Allsopp in 2015 as a Senior Portfolio Manager.

Through her dedication, she swiftly rose through the ranks, becoming Head of Property Management and now holding the esteemed position of Director of Property Management.

In her current role, Anisha oversees daily operations, portfolio management, and vendor relations, ensuring that contractors, maintenance teams, and real estate service providers operate at the highest standards. She has been instrumental in securing new contracts and significantly scaling business revenue, achieving an 80% increase over the past five years. Under her leadership, the company's portfolio value has grown from AED 2.5 million to AED 10million, while delivering 7-8% returns on investment for property owners.

Having relocated to Dubai in 2015, Anisha has spent the past 10 years shaping Allsopp & Allsopp's property management division into a powerhouse of efficiency and innovation. A proud mother of two, she is a full-time working professional who balances her career with a passion for golf and boxing. Anisha holds a Master's in Law from the University of Birmingham and is fluent in four languages, further enhancing her ability to connect with Dubai's diverse clientele.

Looking ahead, Anisha is focused on transforming property management through digitalisation. Her vision includes enhancing automation to improve operational efficiency, improving tenant experiences with faster response times, streamlined communication, and increased transparency, and driving sustainability initiatives, reducing energy consumption, and implementing green solutions across managed properties.

With Dubai's real estate market rapidly evolving, Anisha's commitment to innovation, efficiency, and sustainability ensures that Allsopp & Allsopp remains at the forefront of the industry, providing a seamless and rewarding experience for landlords, tenants, and investors alike.
